The Coastal Jewel

Ideally located along JBR Beach, this apartment sets you up for a coastal stay. It's a short stroll to The Walk, The Beach and Ain Dubai for those looking to explore. The home is housed in a residential building, so you'll have use of the 5-star shared facilities here, including direct beach access, an outdoor pool, fully equipped gyms, a health club, a beauty salon, hireable meeting rooms, and retail shops for picking up essentials. While the apartment’s interiors are pretty unremarkable, the stunning views over Dubai Marina are a real standout. Just note that one person will be sleeping on a sofa bed if you're travelling in a group of five.
