### Pearls of Dubai

Made for soaking up the Dubai sunshine, this home boasts a private balcony with far-reaching city views along with access to the resort's communal swimming pool and beach. When you're not cooling off in the sea or the pool, there's an on-site gym here, too, to stay on top of your fitness. Back home, you'll find a comfortable space for a couple. Sure, the kitchen is pretty compact, but with The Walk at JBR on your doorstep, dining out is always on the menu.
