Lapis Blue

Across the road from Confluence Park and not far from two sports arenas, this home is a stylish retreat from the hustle and bustle of LoDo Denver. Offering all the comfort of a top hotel but with the added convenience of a kitchen and living area, this place is great if you want a bit more independence during your stay. The living space is a minimalist mix of blues and sandy oranges, with a comfortable sofa for chilling out after days exploring or working from home. Fancy a change of scenery? The communal spaces are stand-out, from a roof terrace complete with firepit and a swimming pool to an on-site gym – you may not want to leave.
