Grey Marl

Whether you're staying for a business trip or to see the city's sights, this home is ideally set-up for making the most of Chicago. For those needing to work, you'll be delighted to find ultra high-speed internet and a dedicated workspace, as well as a convenient location within walking distance of a bus stop and an L train station. For those here to make the most of the city's attractions, you'll find that you can easily wander from your position in the affluent River North neighbourhood to sights such as the Magnificent Mile, the Museum of Contemporary Art and even Oak Street Beach. After a day out exploring, stock up on ingredients at the on-site Whole Foods downstairs, then rustle up a home-cooked meal in the kitchen. We recommend heading to the private balcony for sunset, where you can look out over the cityscape in perfect peace.
