Swing Swing

Jazz about town from this charming apartment in Chicago's South Loop – a music hub filled with live venues, restaurants and bars. Grab a morning pick-me-up at the in-building gourmet coffee shop before heading out for a day of adventures. You'll be just a stroll away from both Grant Park and historic Chess Records, where legends like Chuck Berry and Muddy Waters once recorded songs. When you're back, get cosy in front of the smart TV in the living room, or have a glass of wine on the private terrace as the city lights twinkle around you. We love the floor-to-ceiling windows that provide city views and lots of sunshine, as well as the chic decor and comfortable furnishings that'll make you feel right at home.
