A Breeze in Barcelona

Located in the heart of Port Vell, this apartment puts the very best of Barcelona within strolling distance. You're a twenty-minute walk from Barceloneta Beach and around ten minutes from the Gothic Quarter. After a morning spent sightseeing, we recommend taking advantage of the building's amenities - a spa, an indoor pool and a gym are at your disposal. The home itself has everything you need for a stress-free break. The bedrooms are comfortable, and although the kitchen is small, it's well-appointed.
